**USPA NEWS** - Jorge Lorenzo wins the Mugello GP by going immediately to the lead and for the pursuers there was nothing to do, Andrea Dovizioso came second and was the only one able to follow Jorge Lorenzo, but he could not get close. Valentino Rossi, on the other hand, made the Mugello public dream, making a hard battle with Andrea Iannone, Alex Rins and Danilo Petrucci (who arrived 4th, 5th and 7th). Danilo Petrucci is very disappointed because of a hard contact received by Marquez still a vote this behavior has not been sanctioned by the race commission. Marquez then apologized to Petrucci. At Mugello Marquez did not score points because he crashed, he got up but only 16th came to the finish line.

Jorge Lorenzo (Ducati Team #99)- 1°

"I am very happy! Yesterday I said that winning at Mugello with Ducati was a dream for me and today this dream came true. It's one of the most special wins of my entire career, probably on the same level as my first win in 125 in 2003 and in MotoGP in 2008. I'm really thrilled about it and pleased for the team, because it was fantastic to score this victory on Ducati's home track after a very challenging weekend. This morning I realized that we could do it and, even though I was worried about the performance of the tyres, I decided to push right from the start, in my usual style, and everything went perfectly. I couldn't ask for anything more and we will have to celebrate this win in a big way. I haven't managed to win a race for a long time and I did it my way. I've been through some difficult moments but I've always believed I could do it, I could see that every time we were closer and closer and in the end we did it!"

Andrea Dovizioso (Ducati Team #04)- 2°

"To tell the truth I expected more than a second place today, but in the end we found that the conditions were hotter in the race than yesterday and so we had a few doubts about the choice of front tyre. Rossi and I made a cautionary selection, opting to fit the harder tyre, but unfortunately it didn't work well. Valentino almost crashed a couple of times in front of me and when I tried to push to catch Jorge, I wasn't fast enough in corner entry and as a result through the corners as well. In addition I used up the rear tyre and at the end of the race I also had to manage this problem. In any case we scored a good second place and reduced the gap to Marquez in the standings. I want to congratulate Jorge, who did a superb race and was very good and precise in managing the tyres to perfection."

Valentino Rossi ( Yamaha Team #46)- 3°

It was a very tough race because we had to start with the harder front tyre, which we knew wouldn't provide a lot of grip, so the race was very difficult. I tried not to make any mistakes, which was hard, and I also tried not to lose contact with the podium contenders. In my group the guys were riding on the softer tyre, so I hoped I would have a little bit more grip than them at the end. In fact, it was exactly like this, so I'm very happy, because the podium was the target for me. It remained difficult to secure it until the very last lap, because Iannone didn't give up, but at the end it's a great feeling here in Mugello.
