to try to sell luxury travel by web, for 7 years, it's impossible! Frederic Savoy explains. Travel Designers are who market and travel to customers based on travel shows. We opened up our Travel Shows, in 2018, in Paris 16th with undeniable success. The professional, will master the subject for individualized travel, spread out cards and build with the client the trip. We have an agency in Paris 7th, 16th, and Versailles and two next in 2002.-----

In January 2019, launch site i sprintions, with original routes, with max d information described because it has been studied, analyzed, tested, because in parcel the website generates a lot of requests.-----

ELUXTRAVEL LAUNCHES UNUSUAL INNOVATIONS AS A LUXPERIENCE AND EXPERIENTIAL WHOSE COPYRIGHT IS DEPOSITED-----

Among the New Travel Experiences that Eluxtravel has imagined, there is EXPERIENTIEL and LUXPERIENCE based on a concept deposed, which are exclusive, allowing to live a destination differently and exclusively. for example, we set up the Lost Cite overflowed by helicopter in Colombia, one of the few destinations offered by Tour Operators. It is what allows to live a unique and memorable experience on this lost idea. For example, in Sri Lanka we organized a family cricket game in cultural and sporting communion with Sri Lankans. In Mexico we have allowed on a trip a hot air balloon flight. In Polynesia, Eluxtravel has prepared intercultural dive sessions with a Polynesian dive to discover their life in the authentic, local way. In Japan, a customer's dream of approaching the Sumos, was realized by Eluxtravel, as part of the experience, allowing him to sit on his knees on the tatami, again, a unique experience and unusual.
