According to OTA: Fact 1: You can eat organic on a budget. Fact 2: Organic agriculture can help feed the planet. Fact 3: There are proven health benefits of organic. These are three of the more than 30 research-backed facts that the Organic Trade Association (OTA) and partners digitally disseminated each day in September (Organic Month) as part of its highly successful "Myth-Busting Month" social media festival.

Each week throughout the festival, leveraging the #OrganicFestival hashtag, organizers focused on select categories of frequently shared myths, including: Organic Labeling, Organic Health, Organic Value, Organic Production and Organic Beyond Food.

Then, each day within that week, OTA and partners posted a myth on their social channels, and 'busted' it with a fact graphic, encouraging followers to re-post to create a unified voice across multiple social channels.

...

OTA is the leading voice for the organic trade in the United States, representing over 8,500 organic businesses across 50 states.
