With the departure of AC070, Air Canada November 1, inaugurated new service between Toronto and Delhi. The new route offers the only non-stop flight between Canada and the Indian subcontinent and is the first to be dedicated for Air Canada's Boeing 787-9 series aircraft, the most modern aircraft in its fleet.

The service will operate four-times-weekly, going to daily in 2016, using a Boeing 787 Dreamliner featuring Air Canada's award-winning, three-cabin service, including the next generation lie-flat seat in International Business Class, a Premium Economy cabin, and enhanced seatback In-Flight Entertainment system available at every seat throughout the aircraft.

Flights provide for Aeroplan accumulation and redemption and, for eligible customers, priority check-in, Maple Leaf Lounge access in Toronto, priority boarding and other benefits.

Since December 2014, Air Canada and Air Canada rouge have also announced new international service to such places as Dubai, Seoul, Brisbane, Lyon, London-Gatwick, Casablanca, Prague, Budapest, Glasgow and Warsaw.
