PRESIDENT HOLLANDE TO JOIN THE PARIS CLIMATE LAST TALKS TO REACH A FINAL ACCORD

ALONGSIDE COP21's PRESIDENT FABIUS

Paris, Washington DC, 12.12.2015, 11:21 Time

USPA NEWS - The countdown is launched and negotiators from 150 countries at COP21 participants at Le Bourget, agree in time on the last details of the outcome of a close and historic agreement. President Hollande will join the talks as delegates debate what organisers hope is the final draft of unprecedented.

According to President of COP21, Laurent Fabius, it is an extra weight to this last (expected to be the last"|) session of December 12. Laurent Fabius who is also the French Foreign Minister has been leading plenary meetings at the two weeks of U.N. climate talks as representing the Presidency of COP21. His diplomacy's skills have been an asset to the talks and negotiations expressed through the diverse opinions, and specific requirements of each party.

Hollande's presence will give extra weight to Saturday's session. French officials say what they hope is the final draft has been completed and is being translated for discussion among delegates. This agreement whether it is positive could be a landmark global deal to fight climate change. A unique global agreement in the whole history of the planet. This is why, all the so all wills and energies are mobilised in these very latest negotiation finalisation hours to reach a global consensus and will protect the planet for future generations. Besides, the French president Hollande, has joined this final and crucial stage of the negotiation between parts of United Nations.
