Humorist and Cromag Nation founder, Tommy 'Zman' Zarzecki is set to unleash : 'Honey, Does This Make Me Look Fat?'...Man's Survival Guide to Co-Existing with Creatures of the Opposite Sex. Tommy Zarzecki knows that regardless of what men have become and what women believe themselves to be that neither of them have a clue about how to deal with each other even after thousands of years of trying.

Humorist, Tommy Zarzecki has been baffled throughout his adult life trying to understand what makes women tick, and better yet, how to make them happy. 'It's an insurmountable task,' claims an assured Zman, 'How can you possibly make someone happy when you have NO IDEA what they want ? Men and women are wired so differently that its a miracle we even breathe the same air. Trying to figure out what a woman wants ? That's like trying to unravel a Rubik's Cube in a freakin' sharks cage!'

""I've spent three decades married to the same woman, which is indeed a miraculous accomplishment,' claims Tommy. 'My goal is that this essential manly guide will help my comrades in testosterone to realize that the sexes can indeed learn to co-exist "" that is, if you don't fall for any of that unicorns and rainbows b.s. that the so-called relationship experts try to shove down our collective throats.'
